Report of Independent Auditor

To the Honorable Board of Directors
Merritt Island Redevelopment Agency
Merritt Island, Florida

Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities and the general fund of Merritt Island Redevelopment Agency (the "Agency"), a component unit of Brevard County, Florida, as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements as listed in the table of contents.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Opinions

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of the governmental activities and the general fund of the Agency as of September 30, 2021, and the respective changes in financial position thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Other Matters

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and the required supplementary information, as listed in the table of contents, be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquires of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquires, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated March 30, 2022, on our consideration of the Agency's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the Agency's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Agency's internal control over financial reporting and compliance.

Orlando, Florida

MERRITT ISLAND REDEVELOPMENT AGENCY MANAGEMENT'S DISCUSSION AND ANALYSIS

SEPTEMBER 30, 2021

As management of the Merritt Island Redevelopment Agency (the "Agency"), we offer readers of the Agency's financial statements this narrative overview and analysis of the Agency's financial activities for the fiscal year ended September 30, 2021. We encourage readers to consider the information presented here in conjunction with additional information that has been furnished in the financial statements and notes to the financial statements.

The Agency is a discretely presented component unit of Brevard County, Florida (the "County"), and the financial information detailed in this report is also contained in the Brevard County, Florida Annual Comprehensive Financial Report.

Financial Highlights

- The Agency's assets exceeded its liabilities at September 30, 2021 by \$3,337,491 (net position). All of this amount is restricted as the funds are to be used solely for revitalization projects located within the boundaries of the Agency.
- The Agency's net position decreased by \$719,279, compared to the previous year's amount.

Overview of the Financial Statements

Management's discussion and analysis is intended to serve as an introduction to the Agency's basic financial statements. The Agency's basic financial statements comprise three components: 1) government-wide financial statements, 2) general fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements.

Government-wide financial statements. The government-wide financial statements are designed to provide readers with a broad overview of the Agency's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all of the Agency's assets and liabilities, with the difference between the two reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the Agency is improving or deteriorating.

The statement of activities presents information showing how the Agency's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, expenses are reported in this statement for some items where the related cash outflow will occur in future fiscal periods.

General fund. The general fund is used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, the general fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of the general fund is narrower than that of the government-wide financial statements, it is useful to compare the information presented for the general fund with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the Agency's near-term financing decisions. Both the general fund balance sheet and the general fund statement of revenues, expenditures, and changes in fund balance provide a reconciliation to facilitate this comparison between general fund and governmental activities.

**MERRITT ISLAND REDEVELOPMENT AGENCY
MANAGEMENT'S DISCUSSION AND ANALYSIS**

SEPTEMBER 30, 2021

Notes to the financial statements. The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements are an integral part of the basic financial statements.

Other information. In addition to the basic financial statements and accompanying notes, this report also presents certain supplementary information.

The Agency adopts an annual appropriated budget for its general fund. A budgetary comparison statement has been provided for the general fund to demonstrate compliance with this budget.

Government-Wide Financial Analysis

As noted earlier, net position may serve over time as a useful indicator of a government's financial position. In the case of the Agency, assets exceeded liabilities by \$3,337,491 at the close of the most recent fiscal year. This compares with \$4,056,770 at the close of the previous fiscal year, a decrease of \$719,279.

The change in net position can primarily be attributed to the following factors:

- Cash equivalents decreased \$747,997 during fiscal year 2021 as a result of additional construction projects and changes in other balance sheet items.
- Total liabilities decreased \$64,143 primarily as a result of timing of vouchers and contracts payable and decreased accrued personnel costs.

	Net Position

MERRITT ISLAND REDEVELOPMENT AGENCY MANAGEMENT'S DISCUSSION AND ANALYSIS

SEPTEMBER 30, 2021

Governmental Activities

Governmental activities decreased the Agency's net position by \$719,279 in fiscal year 2021, compared to an increase of \$1,006,586 in the prior fiscal year. Total revenues decreased by \$610,574 from last year primarily as a result of a \$422,370 prior year conveyance of unspent funding from the County to the Agency and a \$155,929 decrease in tax increment revenues.

Total expenses increased by \$1,115,291, primarily as a result of many more redevelopment initiatives underway in fiscal year 2021, including grants to individual and private organization property owners to convert to the County's sewer system, construction on the Veterans' Memorial Park and various other projects.

	Changes in Net Position	
	2021	2020
Revenues		
General revenues:		
Taxes	\$ 1,217,484	\$ 1,373,413

Net position ending	<u>\$ 3,337,491</u>	<u>\$ 4,056,770</u>

Economic Factors and Conditions

The Agency's major source of revenue, taxes, are based on Brevard County's property tax collections, which are affected by property values and millage rates set by the County.

Requests for Information

This financial report is designed to provide a general overview of the Agency's finances for all those with an interest in such. Questions concerning any of the information should be addressed to the Executive Director, 2575 N. Courtenay Parkway, Suite 207, Merritt Island, Florida 32953.

Some expenses reported in the Statement of Activities do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.	<u>21,548</u>
Change in net position of governmental activities	<u><u>\$ (719,279)</u></u>

MERRITT ISLAND REDEVELOPMENT AGENCY

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2021

Note 1—Summary of significant accounting policies

Merritt Island Redevelopment Agency (the “Agency”) was established pursuant to Section 163.387, Florida Statutes, and Ordinance 89-28, as amended by 90-188. The Agency’s primary activity is the redevelopment in the Merritt Island area through the collection of incremental taxes.

The Agency is funded primarily by tax increment revenues collected and remitted by the Brevard County, Florida, Tax Collector. 95% of the tax revenues generated as a result of increases on property values (“tax increment”) within the redevelopment area boundaries are placed in the Agency’s Trust Fund.

The accounting policies of the Agency conform to accounting principles generally accepted in the United States of America. The following is a summary of the more significant policies:

Reporting Entity – The Agency is a legally separate entity with no component units. A seven-member volunteer Board of Directors (the “Board”) is responsible for providing the oversight to the Agency. All Board members are recommended for appointment by the District 2 County Commissioner of the Brevard County Board of County Commissioners and are approved for appointment by the Brevard County Board of County Commissioners. A major portion of the Agency’s funding is derived from tax increment revenues. Therefore, the Agency, for financial reporting purposes, is considered a discretely presented component unit of Brevard County, Florida (the “County”). The financial statements of the Agency are included in Brevard County, Florida’s Annual Comprehensive Financial Report under a discrete presentation format.

Basis of Accounting – Government fund financial statements are organized for reporting purposes on the basis of a general fund, the Agency’s major fund, which accounts for all activities of the Agency and is accounted for using the modified accrual basis of accounting. Revenues are recognized when they become measurable and available as net current assets. “Measurable” means the amount of the transaction can be determined and “available” means collectible within the current period or soon enough thereafter to pay liabilities of the current period. The Agency considers all revenues available if collected within 60 days after year-end. Expenditures are recognized when the related fund liability is incurred.

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows.

Fund Balance / Net Position – Fund balance for the Agency is reported in classifications that comprise a hierarchy based primarily on the extent to which the Agency is bound to honor constraints on the specific purposes for which amounts of the fund can be spent. Fund balances are classified either as nonspendable or as spendable. Spendable fund balances are further classified in a hierarchy based on the extent to which there are external and internal constraints on the spending of these fund balances. These classifications are described as follows:

Nonspendable fund balances include amounts that cannot be spent because they are not in spendable form or legally or contractually required to be maintained intact. As of September 30, 2021, the Agency did not have any fund balance that was classified as nonspendable.

Spendable fund balances are classified based on a hierarchy of the Agency’s ability to control the spending of these fund balances.

Restricted fund balances are fund balance amounts that are constrained for specific purposes by external parties, such as creditors, grantors or contributors; constitutional provisions; or enabling legislation.

MERRITT ISLAND REDEVELOPMENT AGENCY

NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2021

Note 1—Summary of significant accounting policies (continued)

Committed fund balances are fund balances constrained for specific purposes by formal action of the District's highest level of decision making authority. Committed fund balances are reported pursuant to resolutions approved by the Governing Board and can only be modified or rescinded through resolutions approved by the Governing Board.

Assigned fund balances are fund balances intended to be used for specific purposes, but which are neither restricted nor committed.

Unassigned fund balances represent the residual positive fund balance within the general fund, which has not been assigned to other funds and has not been restricted, committed, or assigned.

For purposes of fund balance classification, the Agency considers restricted funds to have been spent first when both restricted and unrestricted fund balance is available, followed in order by committed, assigned and unassigned amounts, as applicable.

The government-wide financial statements utilize a net position presentation. Net position can be categorized as net investment in capital assets, restricted or unrestricted. The Agency does not have any net position categorized as net investment in capital assets or unrestricted as of September 30, 2021. Restricted net position represents amounts that are restricted by requirement of enabling legislation. When both restricted and unrestricted resources are available for use, it is the Agency's policy to use restricted resources first, and then unrestricted resources as they are needed.

Accrued Compensated Absences – It is the Agency's policy to permit employees to accumulate earned but unused vacation and sick pay benefits. All vacation and a portion of sick pay is accrued when earned and a liability is reported in the government-wide financial statements. A liability is reported in the governmental funds only if a liability results from employee resignations/retirements and they are to be paid with current operating funds. Estimates have been utilized to determine the amount to report as the current portion.

Accrued Personnel Costs – The statement of net position includes a noncurrent liability related to accrued personnel costs. This represents the Agency's liability for pension and other postemployment fringe benefit costs related to the Agency's contracted use of County employees

Budget – On or before September 30 of each year, the Agency's Board adopts an annual budget sufficient to support the anticipated work program for the year. The budget includes revenues from all sources legitimately available to the Agency. The Agency's Board can legally amend the budget to the extent deemed necessary, provided the budget remains in balance at the fund level. Agency management other than the Board cannot amend or transfer appropriations. For the year ended September 30, 2021, no excess of expenditures over appropriations at the legal level of budgetary control occurred.

The budget is adopted on a basis consistent with accounting principles generally accepted in the United States.

Use of Estimates – The preparation of the financial statements requires management to make use of estimates that affect reported amounts. Actual results could differ from those estimates.

MERRITT ISLAND REDEVELOPMENT AGENCY
NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2021

Note 2—Cash equivalents

All funds of the Agency are invested with the County’s cash and investment pool, which consists of the County’s cash and investments and that of the component units. There are no restrictions on the Agency’s ability to withdraw funds from the County’s pool, so all amounts are considered cash equivalents. All cash equivalents are stated at fair value, based on the Agency’s investment portion of the fair value of the County’s pooled investments. The County’s investment pool is not rated.

The Agency’s investment policy is established in accordance with the Sections 125.01 and 218.415, Florida Statutes. The policy permits investing directly in, or through the County’s investment pool, which is authorized to invest in the following: State Board of Administration, State of Florida, direct obligations of the United States Government, obligations of the different agencies of the Federal Government, Corporate Notes, Commercial Paper, Municipal Bonds, Intergovernmental Investment Pools, Supranationals, Asset-Backed Securities, Multi-Asset Class Portfolio Investments (including both Domestic and International Equities, Emerging Market Debt, Real Estate Investment Trusts-REITS, and Treasury Inflation Protected Securities- TIPS), Registered Investment Companies (Mutual Funds) and time deposits or savings accounts of financial institutions under federal and state regulation.

Note 3—Summary of long-term liabilities

The following is a summary of changes in long-term liabilities during the year ended September 30, 2021:

	<u>October 1,</u> <u>2020</u>	<u>Additions</u>	<u>Deletions</u>	<u>September 30,</u> <u>2021</u>	<u>Due within</u> <u>one year</u>
Governmental Activities:					
Accrued compensated absences	\$ 18,003	\$ 12,294	\$ 11,134	\$ 19,163	\$ 2,058
Accrued personnel costs	165,702	37	22,745	142,994	-
Total governmental activities long-term liabilities	<u>\$ 183,705</u>	<u>\$ 12,331</u>	<u>\$ 33,879</u>	<u>\$ 162,157</u>	<u>\$ 2,058</u>

Accrued compensated absences and accrued personnel costs are liquidated with resources of the same fund that has paid the applicable employees regular salaries and fringe benefits.

Note 4—Related party transactions

The Agency is a discretely presented component unit of Brevard County, Florida. For the year ended September 30, 2021, the Agency’s tax increment revenues include \$1,217,484 received from the County.

MERRITT ISLAND REDEVELOPMENT AGENCY
NOTES TO FINANCIAL STATEMENTS

SEPTEMBER 30, 2021

Note 5—Community redevelopment agency

As explained in Note 1, Merritt Island Redevelopment Agency is a discretely presented component unit in the County's Annual Comprehensive Financial Report. As required by Florida Statute, additional information regarding Agency's financial activity during the year ended September 30, 2021 is as follows:

Sources of Deposits

County tax increment	\$ 1,217,484
Contributions	50,000
Intergovernmental	116,550
Miscellaneous	<u>33,907</u>
Total deposits	<u>\$ 1,417,941</u>

Purpose of Withdrawals

Economic environment	<u>\$ 2,165,938</u>
----------------------	---------------------

The Agency does not have pledged incremental revenues or has not incurred any debt to carry out its activities.

SUPPLEMENTARY REPORTS

**Report of Independent Auditor on Internal Control over Financial Reporting and on
Compliance and Other Matters Based on an Audit of Financial Statements
Performed in Accordance with *Government Auditing Standards***

To the Honorable Board of Directors
Merritt Island Redevelopment Agency
Merritt Island, Florida

We have audited, in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and the general fund of Merritt Island Redevelopment Agency (the "Agency"), a component unit of Brevard County, Florida, as of and for the year ended September 30, 2021, and the related notes to the financial statements, which collectively comprise the Agency's basic financial statements, and have issued our report thereon dated March 30, 2022.

Internal Control over Financial Reporting

In planning and performing our audit of the financial statements, we considered the Agency's internal control over financial reporting ("internal control") as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the Agency's internal control. Accordingly, we do not express an opinion on the effectiveness of the Agency's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Compliance and Other Matters

As part of obtaining reasonable assurance about whether the Agency's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit and, accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

A handwritten signature in cursive script that reads "Cheryl Behrman" followed by a small flourish.

Orlando, Florida
March 30, 2022

Independent Auditor's Management Letter

To the Honorable Board of Directors
Merritt Island Redevelopment Agency
Merritt Island, Florida

Report of the Financial Statements

We have audited the financial statements of the governmental activities and the general fund of Merritt Island Redevelopment Agency (the "Agency"), a component unit of Brevard County, Florida, as of and for the year ended September 30, 2021, and have issued our report thereon dated March 30, 2022.

Auditor's Responsibility

We conducted our audit in accordance with auditing standards generally accepted in the United States of America; the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States; and Chapter 10.550, Rules of the Auditor General.

Other Reporting Requirements

We have issued our Report of Independent Auditor on Internal Control over Financial Reporting and on Compliance and Other Matters Based on an Audit of the Financial Statements Performed in Accordance with *Government Auditing Standards*, and Report of Independent Accountant on Compliance with Local Government Investment Policies and Community Redevelopment Agency Requirements. Disclosures in those reports, which are dated March 30, 2022, should be considered in conjunction with this management letter.

Prior Audit Findings

Section 10.554(1)(i)1., Rules of the Auditor General, requires that we determine whether or not corrective actions have been taken to address findings and recommendations made in the preceding annual financial audit report. No findings or recommendations were made in the preceding annual financial audit report.

Official Title and Legal Authority

Section 10.554(1)(i)4., Rules of the Auditor General, requires that the name or official title and legal authority for the primary government and each component unit of the reporting entity be disclosed in this management letter, unless disclosed in the notes to the financial statements. Such disclosure is included in the notes to the financial statements. There were no component units related to the Agency.

Financial Condition and Management

Section 10.554(1)(i)5.a. and 10.556(7), Rules of the Auditor General, require us to apply appropriate procedures and communicate the results of our determination as to whether or not the Agency has met one or more of the conditions described in Section 218.503(1), Florida Statutes, and to identify the specific condition(s) met. In connection with our audit, the results of our tests did not indicate the Agency met any of the conditions described in Section 218.503(1), Florida Statutes.

Pursuant to Sections 10.554(1)(i)5.b. and 10.556(8), Rules of the Auditor General, we applied financial condition assessment procedures for the Agency. It is management's responsibility to monitor the Agency's financial condition, and our financial condition assessment was based in part on representations made by management and the review of financial information provided by same.

Section 10.554(1)(i)2., Rules of the Auditor General, requires that we communicate any recommendations to improve financial management. In connection with our audit, we did not have any such recommendations.

Specific Information

As required by Section 218.39(3)(c), Florida Statutes, and Section 10.554(1)(i)6, Rules of the Auditor General, the Agency provided the following information (unaudited):

- a. The total number of Agency employees compensated in the last pay period of the fiscal year as 3.
- b. There are no independent contractors to whom nonemployee compensation was paid in the last month of the Agency's fiscal year.
- c. All compensation earned by or awarded to employees, whether paid or accrued, regardless of contingency as \$172,173.
- d. All compensation earned by or awarded to nonemployee independent contractors, whether paid or accrued, regardless of contingency as none.
- e. Each construction project with a total cost of at least \$65,000 approved by the Agency that is scheduled to begin on or after October 1 of the fiscal year being reported, together with the total expenditures for such project as listed below:

Project Name	Budget	Inception Date	Expenditures to Date
Veterans Amphitheater	\$ 2,300,000	6/1/2021	\$ 1,913

- f. A budget variance based on the budget adopted under Section 189.016(4), Florida Statutes, before the beginning of the fiscal year being reported if the Agency amends a final adopted budget under Section 189.016(6), Florida Statutes, as zero.

Additional Matters

Section 10.554(1)(i)3., Rules of the Auditor General, requires us to communicate noncompliance with provisions of contracts or grant agreements, or abuse, that have occurred, or are likely to have occurred, that have an effect on the financial statements that is less than material but warrants the attention of those charged with governance. In connection with our audit, we did not note any such findings.

Purpose of this Letter

The purpose of this management letter is to communicate certain matters prescribed by Chapter 10.550, Rules of the Auditor General. Accordingly, this management letter is not suitable for any other purpose.

**Report of Independent Accountant on Compliance with
Local Government Investment Policies and Community
Redevelopment Agency Requirements**

To the Honorable Board of Directors
Merritt Island Redevelopment Agency
Merritt Island, Florida

We have examined Merritt Island Redevelopment Agency's (the "Agency") compliance with the local government investment policy requirements of Section 218.415, Florida Statutes, and the community redevelopment agency requirements of Section 163.387, Florida Statutes, during the year ended September 30, 2021. Management of the Agency is responsible for the Agency's compliance with the specified requirements. Our responsibility is to express an opinion on the Agency's compliance with the specified requirements based on our examination.

Our examination was conducted in accordance with attestation standards established by the American Institute of Certified Public Accountants. Those standards require that we plan and perform the examination to obtain reasonable assurance about whether the Agency complied, in all material respects, with the specified requirements referenced above. An examination involves performing procedures to obtain evidence about whether the Agency complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgement, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence obtained is sufficient and appropriate to provide a reasonable basis for our opinion.

Our examination does not provide a legal determination on the Agency's compliance with the specified requirements.

In our opinion, the Agency complied, in all material respects, with the local investment policy requirements of Section 218.415, Florida Statutes, and the community redevelopment agency requirements of Section 163.387, Florida Statutes, during the year ended September 30, 2021.

The purpose of this report is to comply with the audit requirements of Sections 218.415 and 163.387, Florida Statutes, and Rules of the Auditor General.
